

NCRN global Bibliography [local]

lars.vilhuber

July 3, 2018

This bibliography is generated for the NSF-Census Research Network (NCRN) from data made available at <http://www.ncrn.info>. Articles are in alphabetical order of the first author's last name.

Articles

- [3] John M Abowd. “How Will Statistical Agencies Operate When All Data Are Private”. In: *Journal of Privacy and Confidentiality* 7 (2017). URL: <http://repository.cmu.edu/jpc/vol7/iss3/1/>.
